CASE# **2019-00057188**

**NARRATIVE**

**Suspicious Circumstances**

**Sgt. Jason Conklin #11**

**ORIGIN:**

Contacted by Judge Racheal Rancilio reference a suspicious circumstance.

**INFORMATION:**

I made contact with Judge Rancilio. She advised me that she was alerted to some troubling posts on Facebook today. The posts were made by an account name "Jonathan Vanderhagen (Killian Jake)". It is believed this account belongs to Jonathan Joseph Vanderhagen, W/M 07/07/1984. Rancilio was the Judge who presided over an FOC case that Vanderhagen was a part of. From the posts on Facebook it appears that Vanderhagen was unhappy with the outcome of this case.

There are multiple posts on Vanderhagen's page regarding Rancilio. Many are screen shots of her personal Facebook posts as well as items that she has "pinned" on her Pintrest app. In the post containing Rancilio's Pintrest Pins, Vanderhagen states "Exposing bad, corrupt & shady people like you is what the fuck I do ;) Get this bitch out of our court system".

On 07/07/2019 at aproximently 1819hrs, Vanderhagen posted two videos. The videos appear to be him standing in front of picture boards. The post states "Time to speak up about my personal experience of corruption in Macomb County FOC. The shady game Judge Rachel Rancilio & Mary Duross (14yr vet of FOC) played with the life of my son". During the videos he speaks about how his ex is responsible for the death of their child Killian. At no time does he threaten harm or violence towards Rancilio or Duross. However he does appear to be very upset with them and feels they are to blame for not helping him.

The posts concerning Rancilio were all public posts. Evidence Technician Kukuk was able to locate these posts via the internet. He was able to capture screen shots of the posts made by Vanderhagen. See Deputy Kukuk's supplement for further.

Via CLEAR search I located MI- REDACTION, a 1999 Suburban registered to Vanderhagen. He does not have a CPL nor does he have any firearms registered to him.

**DISPOSITION:**

The local jurisdiction where the Judge resides was requested to make extra passes. Vanderhagens information as well as vehicle description was provided. The security staff at the Circuit Court was made aware to be on the lookout for Vanderhagen and to alert her court officer if he comes to the court. At this time it does not appear there is any threat to Judge Rancilio. Further monitoring and investigation is needed into his Facebook account. No contact was made with Vanderhagen due to the time of night.

Well look what i dug up last night.. This has to be the most hypocrite corrupt shit i have read. My Son's case 100% contradicts everything you claim to represent. So wait Rachel you claim to be an advocate for "child abuse & neglect"... very interesting... does my son Killian not fall into that category, does he not matter ?!?! If you are so educated on this topic how are you not familiar with what is consider to be the worst form of child neglect which is "MEDICAL" CHILD ABUSE & NEGLECT, the exact same stuff i was bringing to your attention 🤔

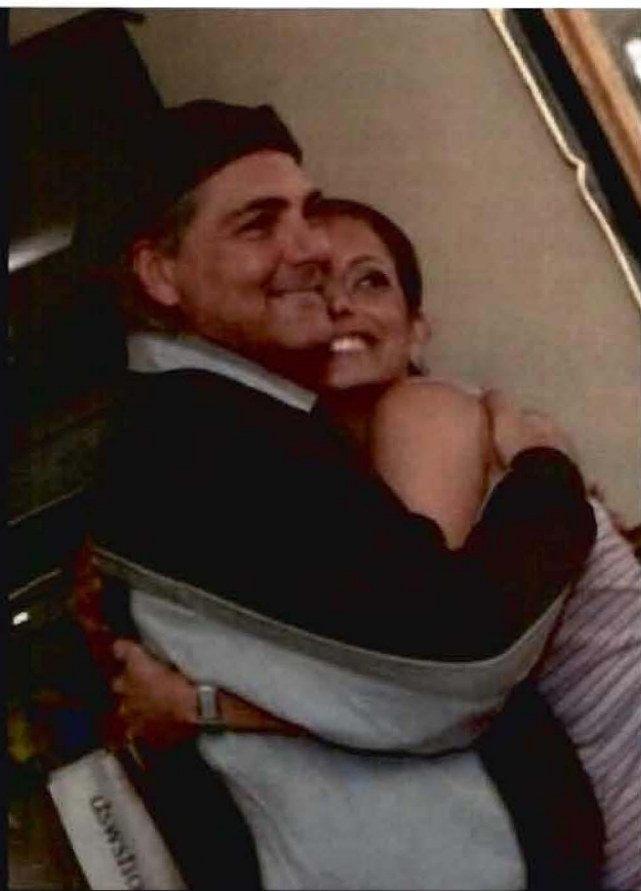

Also how does a multiple offender of child abuse & neglect "My son's mother" which has a well documented history in your own court house stand right in front of you & continue to slide through the cracks...

You just so happen to have your hands in DHS, CPS & etc... ironically all the stuff mom has records in & gets out of... I guess the same rules don't apply if the woman is the abuser 🤔

Are you naive, uneducated or Corrupt ?? we will let the people decide that. The news is gonna eat this alive

Practice what you preach 🙏 J

The more I dig into the people in our judicial system I been noticing a pattern of how they stack the deck with their own people & family. A very elite group of families, yacht clubs, mansions, & etc. Why don't we have more people in our courts that are complete outsiders from your silver spoon families. How can people expect fair trials when its all 'your people'. Our system shouldn't be allowing so much of the same families to run in courts. The Judicial system is supposed about 'THE PEOPLE', not 'your people', so stop using your money & power to stack that building with everyone you know. Where is the underdogs that have absolutely no affiliation to your rich corrupt families ?? These court cases are suppose to be about 'OUR FAMILIES' not yours !!

Kinda ironic how my son & I never got this "fair trial" you speak of, you did the complete opposite of what you quote here.. oh that was because your buddy & long time 14yr vet of Macomb county FOC (Mary Dumross) was representing a CHILD ABUSER that you sided with. My son & I know how much of a liar & a hypocrite you truly are

I see God's plan very clear now. Time to do what I was born to do.

Top goals: My fourteen years as a trial lawyer in Macomb County Circuit Court have taught me one thing above all else - that the courtroom belongs to the people, both those who appear in it, and those who are affected by what happens there. If elected, I will stand behind the idea that the judge and the attorneys are there to serve the people.  
Must like to have on your day in court: I'm not too keen on every legal argument before rendering a ruling, but everyone's legal rights will be safeguarded.

On the irony part 2 If You protected a well documented child abuser in your own court system.

"Shame on ALL of you for failing to act when these children disclosed" -Rachel Rancilio

"Unfortunately Killian couldn't speak for himself, his father was his voice!! His father disclosed all kinds of child abuse & neglect.

"SHAME ON ALL YOU FOR FAILING KILLIAN" -JFK

"You ignored the patterns you ignored the history you ignored the facts you ignored the truth, & most importantly you ignored the father whom knew everything about Killian, all while you knew absolutely NOTHING about Killian!!

-Please explain to Killian why you felt you were a better option to make a life altering decision for his safety & life opposed to his own father that has been protecting him from day one.

How interesting, looks like I'm not only one with this problem. They have given me lots of problems with the transcript for Killian's case. Trying to cover their own asses.
